NOW AVAILABLE!
Our Legacy Lives On

The historic 175th anniversary concert CD recording of the Royal Hawaiian Band is now available for purchase.

Aloha! The *Friends of the Royal Hawaiian Band* realize that due to the unique nature of this particular CD, there may be certain organizations around the world such as hula hālau, wind band organizations, Hawaiian groups or Hawaiians in general, who may be interested in receiving more than a single CD. If you belong to an organization that may have two or more individuals who are interested in owning a copy of this CD, we have produced this two-page form in order to simplify that process.

We have established discounted shipping & handling rates for this one item from our online merchandise store. Discounted rates apply to anywhere that we ship to around the world. If you have members within your organization or group who might want to own a copy of this limited edition CD, then we would suggest that they do so by following the suggestions on page two of this information packet.

Page two contains a “group sales” form to assist you with record keeping of orders from individual members within your group. Reduced shipping & handling rates will apply to orders of two or more CDs. The shipping & handling rate for your group sales order could be covered by adding a small amount onto each CD purchased. You will find those rates located on the [CD page of the web site](#). Ordering as a group will result in a single reduced shipping charge, saving individuals within your group ten, or more, dollars.

Finally, Group Sales orders can be completed through the online purchase process, which expedites the delivery of your order! Interested? Everything you need to know is on the next page . . .

“Our Legacy Lives On – E mau aku kō kākou ho‘oilina”
Celebrating 175 Years of the Royal Hawaiian Band – Group Order Form

How to use this Group Order Form:

1. Record the name of each individual purchasing CDs from your group.
2. Record that each individual has paid for his or her order (including how you may have appropriated shared shipping & handling charges).
3. Group “bulk” orders may be made and paid for online at www.royalhawaiianband.com. Online orders are processed via credit cards (USD), so having a point-person in charge of your group for this project would be most helpful.
4. You may also send your order and payment through the mail. Instructions to do so are also on the website listed above.
5. NOTE: Keep this page for your records. All we will need from you will be the total number of CDs being ordered, the total amount (including S&H – funds in USD) in payment, and the name & address where the shipment is to be delivered. Mahalo.
